

An **OLS (Ontario Land Surveyor)** is licensed by the Association of Ontario Land Surveyors to serve land owners in an unbiased manner concerning their property limits. When you retain an OLS you are acquiring the services of a professional who has met high standards of technical and legal knowledge and experience. A licensed OLS is the only person legally trained and entitled to advise, report, conduct a survey, and prepare a plan of property limits.

When you consult with an OLS, you will receive courteous and helpful advice on the benefits of a land survey.
